FINDING MAN'S PERFECT ENVIRONMENT

Alan Platt (Visionary Leader)

ACTS 17:28 "FOR IN HIM WE LIVE, AND MOVE, AND HAVE OUR BEING."

God Himself is the natural environment in which man is to live! And what an unrestricted environment He gave us. He is our comfort zone. We are to become comfortable in Him, and He is comfortable, at home, in us. We are His holy temple and He is the grace environment in which we live. He is our natural habitat, the environment we were created for, our lives flourish in Him.

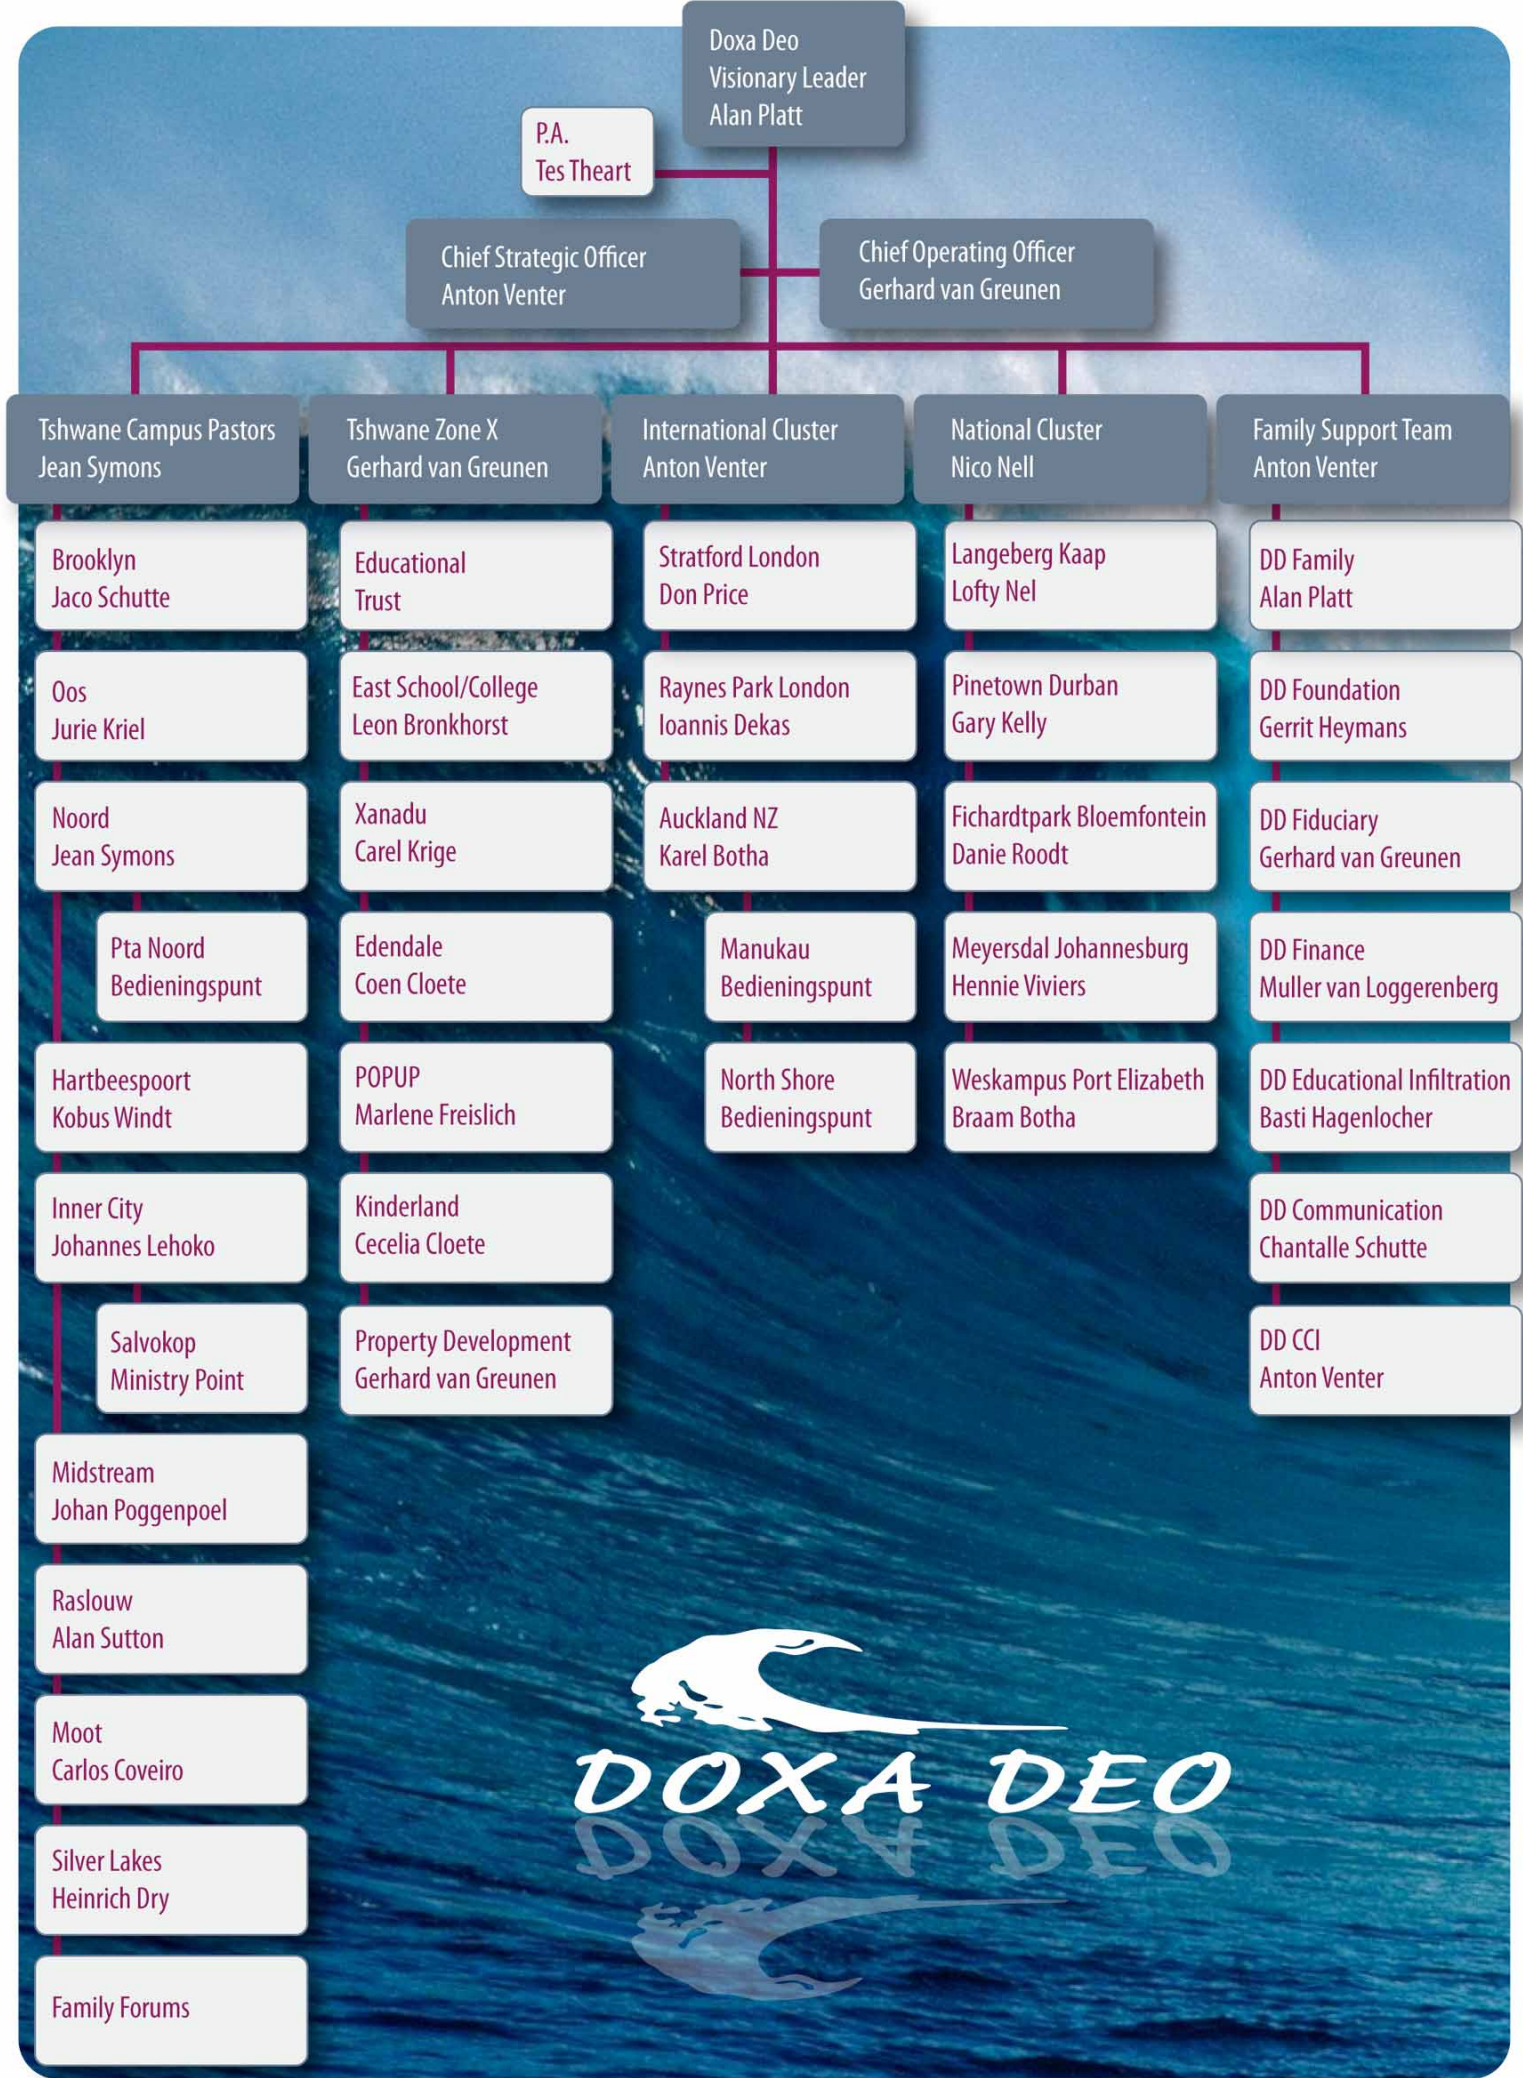

Man is the natural environment that God designed for Himself! He chose man! His ultimate intention was never for His Word to become captured in a book or a doctrine, but to be expressed in human form. The physical body of Jesus did not restrict God. In fact He found full expression in Him. Jesus in His person is the exact expression of the invisible God revealed in a human body. He is also the

mirror reflection of every man. As He is so are we!

You are designed for intimacy with the Father. You are His chosen "structure", His mobile temple and He desires no other structure as His dwelling. You are His chosen location – you are the Father's address on earth.

Our lives flourish in Him!

You are my world.

**DOXA DEO XANADU
SCHOOL AND COLLEGE
(Hartbeespoort)**

Xanadu did not have a matric group in 2010. However, we celebrate the 63 new learners enrolled for 2011 bringing the total number of learners to 216!

**EDENDALE INDEPENDENT SCHOOL
(Mamelodi)**

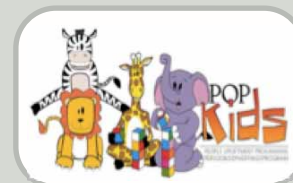

Edendale achieved an impressive 93% pass rate for 2010 with eight distinctions and 35 B's! We are also excited about the fact that 41% of these learners are able to further their studies at a University and a further 32% are able to enrol for studies on a diploma level. Edendale is blessed with a total of 635 learners for 2011 in their pre-primary school, primary school, high school and hostels.

Part of the Doxa Deo school family is two pre-primary and day-care centres, better known as Kinderland and POPKids. It is our deepest desire to show God's love and heart to each of these children in the year to come.

**KINDERLAND
(Raslouw, Centurion)**

Kinderland is a pre-primary and afterschool day-care centre caring for children between the ages of three months and Grade 7. Some of these children come from broken homes, single parent households and foster homes. Kinderland is a safe and caring environment where children can grow in Christ. We are extremely excited about the 104 children that will be attending Kinderland in 2011! What a wonderful opportunity to make a lasting impact in these young lives.

**POPKids
(Salvokop, Pretoria)**

POPKids is a day-care centre providing care and love for deprived children from disadvantaged backgrounds. POPKids currently has 64 children between the ages of 12 months and 5 years. May this year truly be a year of transformation for these children - from being neglected and rejected to accepted, loved for and cared for!

We trust God for greater impact and victories in our schools! We believe that 2011 will truly be blessed and that every child's life will be touched in a profound way. All glory to our God!
